

# Broker Update

May 11, 2023

## Reserve calculation on BlueFlex Agg reports changing effective May 31, 2023

In the past, reserve calculations for BlueFlex Agg reports were only displayed on the final monthly report for level funded groups. Effective May 31, 2023, the groups will now see an estimated reserve during other monthly reports.

This change is to better prepare groups for the reserve calculation they will experience.
