| FPL | Federal Poverty Level |
| Household Size | Eligibility for financial assistance from the Marketplace is based upon your tax household. Only those family members that are claimed as your tax dependent can be insured on a Marketplace policy |
| MAGI | Modified Adjusted Gross Income is the figure used by the Marketplace to determine eligibility for financial assistance. For most people this is adjusted gross income from their tax return plus any nontaxable Social Security benefits |
| PTC minimum | Premium Tax Credit minimum MAGI for financial assistance. Those with income below this level are not eligible. |
| Heritage Health | 138% of the FPL is the threshold for Nebraska's Expanded Medicaid Program for adults 19-64 |
| CSR 94 | Those with MAGI between 100% and 150% of the FPL may be eligible for the CSR 94 benefit plan |
| Medicaid 1 | 194% of the FPL is the threshold for pregnant women to receive Medicaid benefits from the state of NE |
| CSR 87 | Those with MAGI between 151% and 200% of the FPL may be eligible for the CSR 87 benefit plan |
| Medicaid 2 | 213% of the FPL is the threshold for children under the age of 19 to receive Medicaid benefits from the state of NE |
| CSR 73 | Those with MAGI between 201% and 250% of the FPL may be eligible for the CSR 73 benefit plan |
| PTC maximum | American Rescue Plan Act 2021 & Inflation Reduction Act 2022 eliminated upper income maximum for Premium Tax Credit |
